2024 GLP Volunteer Fire Department Spring Fling

Clark Hall

06:00 PM - 09:00 PM EST

Please join the Groton Long Point Fire Department for our annual Spring Fling. It is a chance to connect again with your neighbors, make new friends on the Point and, most importantly, support our community and your Groton Long Point Volunteer Fire Department. It has been another busy year for the Fire Company as we continued to respond to fire and medical calls as well as to marine emergencies with our fire/rescue boat. The evening gives you an opportunity to talk with our members and learn how you can help.

The event will feature an open bar, array of heavy hors d'oeuvres catered by a local restaurant, and dessert, and we are sure you will enjoy our great live (soft) background music.

Tickets are \$75 or Tables of 10 are \$750.

Contact springflingglp@gmail.com with questions.

Earth Day Event

Clark Hall

07:00 PM - 08:30 PM EST

Earth Day Event for Interested GLP Community Members

The Conservation Commission invites you to learn about the quality of our local waters with Project Oceanology. Project O has been collecting water quality data from the Long Island Sound for more than 50 years. Learn about the changes that they have observed over that time period. What organisms have benefitted from Climate Change and which have not? And what can we do as a community to help keep our waters clean.

When: Earth Day - Monday April 22nd at 7pm

Where: Clark Hall

Desserts will be served after the presentation
